Confidential

Some people do not understand how we can give such a big rich and delicious Ice Cream Soda for 5 cents. Confidentially, there is not much money in it, but it advertises our store. People are talking about us, and that means more business.

We served fifteen families with Ice Cream last Sunday. We are prepared to serve thirty next Sunday. Our Ice Cream is pure, rich and nourishing. It is good for babies and invalids, for the sick and well—for everybody. We guarantee it to contain only pure Cream and Milk, and Sugar and Fruit

GREAT BATTLE IS IN PROGRESS

A Battle Is Said to Be Raging Near Kai Ping—Details Not Obtainable.

Shan Hai Kwan, June 26.—News of a big battle near Kai Ping has been brought here today by Chinese couriers. The battle is said to be still raging and to be going against the Russians, but the details of the fighting are not obtainable. The Japanese engaged are believed to be part of Kuroki's forces and are said to number over 30,000 men, while the Russians have a somewhat greater force.

Several minor engagements have been reported, one at San Tai Ling and another at Yentai, in both of which the Russians were caught unawares and defeated with heavy loss. It has also been reported from New Chwang that the Japanese force moving up the peninsula toward Kai Ping has changed its direction and seems to be moving in the direction of Sin Yeng.

Tabernacle Service.

A large audience attended the tabernacle union service last night, and enjoyed a good service. The music was good.

Rev. Garrison delivered a very impressive sermon, and was heard with marked attention.

That Creamery.

Another enthusiastic meeting was held at the city hall Saturday to consider that creamery proposition, and it begins to look like Palestine is going to have a creamery, even if a very few do have to build it.

Green's Brigade.

The reunion of Green's Brigade takes place at Jacksonville June 29 and 30, and the railroad companies will make excursion rates.

Old machines exchanged. See us at the Singer Store.

Union Meeting.

The first of the union Sunday night services of the consolidated churches was held last night at the big tabernacle. A large company was present and enjoyed the singing, under the direction of W. H. Dick and Geo. W. Teamer.

The pastors had drawn lots for the order of those who should speak and the lot fell to Rev. Gus Garrison who preached a helpful sermon from I Cor. 6-19. He said in part that our bodies were the temples of the Holy Spirit because God had set them apart for this purpose and that man's chief aim should be to glorify God in all actions in life. I can imagine a human soul going to ruin alone, but because of the complexity of life I cannot imagine a human body going alone.

The sermon seemed to be appreciated by the large crowd present.

First Car Out.

Neches packed and sold her first car of Elbertas Saturday at 75 cents a crate on the track at Neches. That enterprising Anderson county town will ship 40 or 50 cars of Elbertas this season.

Will Entertain.

Tomorrow evening Mrs. S. T. Howard will entertain the Shakespearian club, and the members of that popular organization will enjoy a great social treat.

A Big Picnic.

That B. of L. E. picnic at Strickland's is going to be the big Fourth of July event of Palestine. The members of this organization are bending every energy to that end. Do not make your arrangements to leave town on the Fourth, for the event of your life will be right here.
